

RAISING CAPITAL IN UNCERTAIN TIMES

16 September 2022 | Australia

Webinars - By **Paul Apathy, Clayton James and Elizabeth Henderson**

In this webinar Partners Paul Apathy and Clayton James, with our co-Head of Venture Capital Elizabeth Henderson and special Guest Panel Member Marcus Derwin, Managing Director, R Cubed, reflected on the current market for expansion capital raising and how founders, companies and investors can prepare.

Drawing on their own experiences at the coal face during previous market tightenings, our Panel discussed critical things to watch when raising capital in uncertain times including how to avoid inadvertent down rounds, how to recognise debt and why it matters, how much runway is enough and how the preference stack can drive behaviours.
