

LITIGATION FUNDING AND INSURANCE

LEGAL IS CHANGING

Our Litigation Funding and Risk Transfer Insurance practice for dispute resolution is a unique offering in the global market.

We are established thought-leaders in the area of Litigation Funding for domestic and international disputes, we actively demonstrate commitment to continue to be recognised as such globally.

We are well versed on the opportunities and risks of this innovative way of managing disputes, and our clients benefit from our knowledge and experience in managing third-party funded disputes and our deep and long-running relationships with all major funders in the market.
