

FINANCIAL BUYERS

We help financial buyers find the wins which generate outperformance in competitive global markets, providing sector expertise, local market knowledge and cutting edge legal solutions.

We can help [private equity](#) firms, sovereign wealth funds, alternative capital providers, pension funds, financial institutions and all other financial buyers with a range of areas including:

- local and global capital raisings
- deployment of capital through the entire spectrum of transactions, eg controlling or non-controlling, listed or unlisted, global or local, individual or consortium deals
- understanding new sectors through our market leading infrastructure, energy, financial services, telecommunications and technology and real estate sector experts
- changing your focus, eg moving from passive to active investing, into new geographies or across product types
- structuring co-investments and partnering with other financial buyers in consortium deals.
