

DISTRESSED INVESTING

BESPOKE AND INNOVATIVE ACQUISITION STRATEGIES

We understand that every distressed situation is unique and our focus is on providing innovative, constructive and commercial solutions that are tailored to the specific situation and our clients objectives.

We have extensive experience in distressed M&A, distressed debt trades and insolvency sales. Our Restructuring, Turnaround and Insolvency team is a market leader both nationally and globally with highly experienced specialists in a range of restructuring and distressed debt transactions acting for banks, corporates, private equity clients, hedge funds, special situation teams within investment banks, directors, insolvency firms, direct lenders and other investors on a range of distressed transactions.

Our team develops bespoke and innovative acquisition strategies to unlock value and overcome commercial and legal obstacles. We undertake rapid diligence of all commercial and legal risks and deliver timely execution. We provide a service which is best in class which delivers a substantive deal execution advantage to our clients. We have a strong understanding of our clients businesses, the sectors in which they operate and their commercial needs and requirements in the ever changing financial landscape.

Leveraging our deep experience in distressed investing transactions, the unique combination of leading M&A expertise, complex acquisition financing and securitisation expertise, allows our team to cover all aspects of a transaction.
