## KEY SERVICES

Construction and Engineering  
Commercial Litigation

## KEY SECTORS

Energy  
Infrastructure

## EXPERIENCE

Noe is a construction law specialist who provides technical advice to clients and colleagues on complex issues relating to both UK and international construction disputes. Noe also supports the firm's global construction disputes practice by devising and delivering internal and external training, and drafting publications and other legal knowhow materials. Noe is also a native Japanese speaker.

Prior to becoming a Professional Support Lawyer, Noe was a Senior Associate in the firm's construction practice, where she advised leading construction and engineering clients on a range of contentious and non-contentious construction matters across various sectors including conventional power, renewables, energy, infrastructure, shipbuilding and manufacturing. Noe brings with her a wealth of experience, having worked with clients from across the globe, including the Middle East, Japan and Southeast Asia. Noe has also been on client secondments to an offshore wind company and a leading international construction and development firm.

## ACCOLADES

Noe is listed as a Recommended Lawyer by *Legal 500 2019 - Construction (contentious)*.

Noe has also been recognised by *Legal 500 Asia Pacific 2014* in Japan for International Firms and Joint Ventures: Construction and Dispute Resolution, being described as a "construction litigation expert" and "highly recommended; clients are 'very satisfied with [their] dedicated work and the quality of their output within limited timeframes'".
