# CLIMATE CHANGE 101 PODCAST SERIES

22 February 2022 | Insight Podcasts

---

Welcome to our Climate Change 101 Podcast Series in which we explain climate terminology and relevant developments to provide you with a good foundation of the legal climate change space.

This includes topical episodes covering matters such as Greenwashing or Environmental Impact Assessment; development focused episodes, such as discussions on recent climate change judgments, as well as episodes focussing on climate terminology, explaining terms like Net-Zero and Climate Change Mitigation.

If there are particular topics you would like to hear about just let us know.

For our second episode (Climate Change 101: Climate change terminology explained (net-zero, climate neutral and more) please see our [Climate Pledge Terminology Overview](#) as visual aid.
