Australia is a litigious country - we meet with Australia's leading legal and commercial minds to discuss how to manage the corporate risk landscape.

Join host Jason Betts, Disputes Partner at Herbert Smith Freehills, as he interviews the people on the front lines of this changing environment.

*We wish to acknowledge the traditional custodians of the lands that Jason and his guests are recording from, the Gadigal people of the Eora Nation in Sydney. We wish to acknowledge and respect their continuing culture and the contribution they make to the life of this country.*
