We are pleased to announce the launch of the sixth edition of Herbert Smith Freehills' Asia-Pacific Competition Law Guide.

Since the previous edition of the guide and in the context of the changes brought about by the COVID-19 pandemic, competition authorities across the Asia-Pacific region have continued to evolve. In line with global trends, unprecedented regulatory and institutional developments are underway in the region.

Now, more than ever, businesses need to be alive to risks and opportunities presented by the ever-changing competition law landscape.
