

PROFESSIONAL NEGLIGENCE

A COMPREHENSIVE APPROACH WHEN YOU NEED IT MOST

Professionals across the world face an ever-increasing exposure from claims brought against them by their clients and others.

We help our clients to handle complex and high profile professional negligence disputes with our hallmark breadth of expertise.

Working with our Disputes team, our subject matter specialists in areas such as tax, banking, pensions, real estate, M&A and IT can be called upon to help you reach your desired outcome.

We work with major financial institutions, accountancy and tax advisory firms, investment management firms, pension consultancies, law firms, construction companies, valuers and partnerships, often in conjunction with their insurers.
